

BANK DRAFT AUTHORIZATION FORM

The West Wilkes Water Association can automatically draft customers' checking account for their monthly bills. Customers wishing to participate must complete and return this form along with a "voided check". Once the authorization has been received your account will begin to be drafted within 30 days.

Even though you will no longer be mailing a payment in, you will still be receiving a monthly statement with your water charges to let you know your account is being drafted and your bill will state "**BANK DRAFT DO NOT REMIT**". This will indicate your bill is now being drafted from your checking account. Until your billing statement appears with this note please continue to mail your paper check by mail.

Your account will be drafted the 10th of each month. If the 10th falls on a Saturday or Sunday the draft will be on Monday the following work day.

I authorize West Wilkes Water Association to initiate entries to my checking account. This authority will remain in effect until I notify West Wilkes Water Association in writing to cancel this service within a 30 day period.

THIS AUTHORIZATION IS NON-NEGOTIABLE AND NON-TRANSFERABLE
